Effectivity of clean'n'safe against covid-19

Dear customer,

The labour test and expert report VAH made by Univ.-Prof. Dr.med.Dr.Phil. Egon Marth, Graz Austria, has approved limited virucidal activity of the product. Limited virucidal means that it is effective against all enveloped viruses.

Consequently, we can confirm the effectivity of clean'n'safe against corona virus (SARS-CoV-2).

For best result, please follow the instruction for use.
